Farid Hi! You sexy looking man. Your picture was the best out of that pack I was sent from Correspondance club 70 (free for girls)

Farid darling my name is Lena Jan 1970 originally from Denmark but my father is Welsh (hence the Jaries) I have been living in England for the past 1 1/2 year and I am a student.

Farid, I am going to shock you or at least I'll try. I have had two boyfriends so far the first was English we did not make love but I saw and liked his dick it was tiny! The second boyfriend was from France same story but I did lose my virginity with him we broke up 3 months ago my girlfriends talk to me about their boyfriends cocks, large 6"-6 1/2" even 7" my first boyfriend had a "cock" as big as my little finger. The French boy about 4" maximum. Farid I am hoping to see

suck and fuck a nice cock 6" at least  
How big is yours? Can you send me  
a nude picture of you? If you don't  
have one take one with a polaroid  
camera or get a friend of yours to take  
one of you then send it to me and  
write me a lovely hot sexy letter include  
your phone number if I like what I see  
and read I shall phone you. Remember  
you have to prove what you say to me  
So no lies.

I look forward to hear from you

Yours  
Lena
